Hi Cassie-

Here it is...please note that the review due dates are subject to change because of Oxitec, the biotech rule, covid, and other competing priorities. For example, the due date for the Corteva DvSSJ1 and IPD072Aa traits will likely be pushed back a month or two.

Subject: tracking sheet

Hi Alan,

I've been unable to access any of the network drives. Would you be able to send me the most updated copy of the tracking sheet?

Thanks,
Cassie
